Meeting Highlights
January 12, 2012

- ❖ Long range planning is underway. Thanks to David Morgan for leading this group!
- ❖ On February 2 we will be hosting the SMA Showcase for our covenant parishes. It's our opportunity to show the parish councils and finance councils what SMA is all about!
- ❖ Catholic Schools Week is quickly approaching! Be on the lookout for how we will celebrate.
- ❖ Our PTO is so good to our school. Through their fundraising our iPads have been ordered and delivered. They'll be up and running for our students very soon! We'll also get new library shelves over spring break! Thanks PTO!!
- ❖ Talking about PTO, they need lots of volunteers! The Gala is coming up, and believe it or not, it's time to start planning for Lenten fish fries! Please give graciously of your time!
