Our Mission:

The mission of Saint Mary Academy is to educate students spiritually, academically, emotionally, and socially through a curriculum rooted in the Roman Catholic faith. Students are educated in a manner that fosters academic excellence, provides a supportive atmosphere and develops students to be morally responsible members of their church and community.

Dear Parents,

We want to take this opportunity, again, to thank you for the generous Christmas gifts that you gave our teachers and staff. Your kindness, generosity and continued support mean the world to us!

On behalf of all of us at SMA, we look forward to a wonderful 2021 as we continue to shape and form Saint Mary Academy into a place where we learn to be more like Christ every day and to continue to provide a place where academic excellence is achieved. Any new year brings opportunities to refresh what we do well and to focus new energy on what we need to improve.

As we come back to in-person classes, we want to thank our parents. We recognize this has been a difficult year for you. Do know that we think about and pray for you often, and yes, we feel your support even from afar.
