*Our Mission:*

*The mission of Saint Mary Academy is to educate students spiritually, academically, emotionally, and socially through a curriculum rooted in the Roman Catholic faith. Students are educated in a manner that fosters academic excellence, provides a supportive atmosphere and develops students to be morally responsible members of their church and community.*

Dear SMA Families,

Thank you to all those families who have contacted us about their spring break travel plans. As previously communicated, students traveling out of state over spring break are expected to quarantine from school upon their return. Students may return to in-person instruction with evidence of a negative COVID19 test taken at least 5 days after returning home. Students who do not take a COVID19 test upon returning home are expected to quarantine from school for 10 days. If you have not yet communicated your spring break travel plans to the school office, please complete the survey below to provide us with the information we need and to ensure that your child(ren) will be set up to attend school virtually while quarantining.

This information is also very helpful to our teachers as they plan and prepare lessons for the week after spring break. **We will assume that if you are traveling out of state and return to town on Sunday, 4/4, your children will return to in-person instruction on Monday, 4/12 with a negative COVID19 test or Wednesday, 4/14 without a test.** We appreciate your cooperation and assistance in helping us keep everyone healthy. **Please complete this form *only if* you have not already contacted the school office about your spring break travel plans. Please complete the form by March 19th.**
