Our Mission:

The mission of Saint Mary Academy is to educate students spiritually, academically, emotionally, and socially through a curriculum rooted in the Roman Catholic faith. Students are educated in a manner that fosters academic excellence, provides a supportive atmosphere and develops students to be morally responsible members of their church and community.

Dear Parents,

I have often viewed spring as a time of renewal. As the temperatures grow warmer and the sun shines longer, new life sprouts. Something about the season causes me to reflect on the past as well as look forward to good things ahead. After the recent cold, challenging winter months we navigated through together, spring signifies hope of new beginnings. Now, as we breathe in the fresh, clean air, it seems to awaken parts of us that went dormant during the colder months. Many of the changes we faced throughout the past year felt unwelcomed, however, spring is a lovely reminder of how beautiful change can be. Just as a flower emerges from deep roots in the ground, I believe that we, as a community, have planted many deep roots this year. We have sprouted deeper faith, continuous hope, and enduring love. We have acquired greater meaning in just being present with those most important to us. With this newfound sense of what is truly important in life, I pray that you feel a renewed spirit this spring.

Have a wonderful weekend!

Mrs. Julie Speer
